Summer Missionary Training

Summer Missionary Training is a summer program for Christian teens and adults which is twofold. First, it is designed to provide excellent training in how to evangelize boys and girls with the Gospel of Jesus Christ and then to provide an opportunity for SMT graduates to go out and use that training in the field evangelizing children.

Participants of SMT are trained to become strong, confident leaders with a sincere desire to serve the Lord. SMT graduates are prepared to conduct One Way Bible Clubs (teach songs, games, Bible lessons, memory verses and missionary stories) and to lead children to Christ. They are given the option to teach summer One Way Bible Clubs allowing them to strengthen their presentation of the Gospel and put into practice what they have learned. Also, the training is valuable for serving in children's ministries such as Sunday School, Children's Church, AWANA, Vacation Bible School, and mission trips.
